

Quick and intuitive guide to understand the size of your ring without making mistakes.

Take your ring, place it on a flat surface and measure its diameter, that is the greater distance between one end and the other of the circumference.

MEASURE

8	DIAMETER: 15,3 MM
10	DIAMETER: 15,9 MM
12	DIAMETER: 16,6 MM
14	DIAMETER: 17,2 MM
16	DIAMETER: 17,8 MM
18	DIAMETER: 18,5 MM
20	DIAMETER: 19 MM
